

THE NATIONAL WOMEN'S BUSINESS COUNCIL

Celebrates National Entrepreneurship Month

WASHINGTON, D.C., December 5, 2019 – The National Women's Business Council ([NWBC](#)) celebrated National Entrepreneurship Month this November. NWBC recognizes the tremendous accomplishments and contributions of the estimated [13 million women-owned businesses](#) across the country. This year, women-owned businesses employed 9.4 million Americans and had a combined revenue of \$1.9 trillion.

What are the things that are holding women entrepreneurs back? The National Women's Business Council is committed to identifying those challenges and advocating for solutions.
